This information from Saint Germain and other Ascended Masters is not new, it is as old as the beginning of time, it is just presented in a new way, and much more given to humanity now. **It is vitally important as we transition into the Golden Age now dawning, to know the Source of our ‘POWER’- our “I AM” Presence- and how to call to It to FREE ourselves and assist others.**

“I AM” FREE Workshop:

1. Our worlds are a mathematically accurate reflection of our past thoughts, feelings, words and actions for whatever we sow, we reap. Simple **Tools & methods** given to transmute & overcome all distressing conditions, and set FREE all mis-used life and co-create a beautiful harmonious future, and reach our **ASCENSION**, which is our Divine Destiny and next step on our evolutionary path, which ALL must do one day!
2. The “I AM” PRESENCE is our **INDIVIDUALIZED GOD PRESENCE**, as seen in the picture above, and is our Source of Life.
3. Learning to call in the **Violet Transmuting Flame**, (and the other Sacred Flames) so we can FREE ourselves from past karma and **Purify & Protect** our 4 earthly bodies.
4. Explaining The Immutable Universal Laws that govern our lives, and how to cooperate and co-create with the **Ascended Hosts, Elementals and Angels** to restore Earth to her original pristine beauty & PERFECTION!

Further study and daily application is essential for results
